

The Formentera Council's sports office reports that Sunday November 18 will mark the season's first cross-country, or *cros*, running meet. The race will play out on the trails of Ses Illetes. There will be intermittent restrictions on circulating vehicle traffic between 10.30am and 1.30pm on Sunday.

The day will also feature a school cross-country meet. Lower categories will compete between 10.30am and 12.30pm, and the centrepiece is a 5.2K run kicking off at 12.30pm. Participants can register on site until thirty minutes before the start. Some 160 runners are expected to compete in both modalities.

The Formentera Council, Grup Esportiu Espalmador and Federació Balear d'Atletisme are organising the event. Baleària transport company is offering runners from Eivissa 50% off the price of their ferry ticket, and a free bus will link La Savina and Ses Illetes, departing between 9.45am and 10.00am and returning between 1.45pm and 2.00pm.
