

The Formentera Office of Sports is pleased to announce the launch of a new system to manage reservations for free activities at Antoni Blanc Sports Centre [Poliesportiu Antoni Blanc] and the local swimming pool. This new booking system is integrated in 'Mi Club Online' and the aim, according to Councillor Paula Ferrer, "is to improve how activity reservations and capacity limits are managed at our sports facilities, and ultimately, improve the service offered to the public as well".

Individuals already registered at the facilities can use this application through their e-mail address; those who wish to register can fill out a form at the fitness centre reception. For queries, the fitness centre is open Monday to Friday 8.00am to 9.30pm.

Users of the app can book activities like open swim and weight room as well as group, instructor-led activities, regular classes and classes in the pool like aquagym and gentle gymnastics. App users can also pay activity fees, turn on activity alerts and check their file and past payments.
