

The human resources department of the Consell de Formentera reports that today's issue of the Official State Gazette (*Boletín Oficial del Estado, BOE*) contains details of the process to stabilise 242 public servant and staff positions in 59 groups and categories at the Consell de Formentera. From tomorrow, interested parties will have 20 working days to apply.

This process is open to everyone, employees of the Consell de Formentera or not. Any person who meets the requirements of a particular position may apply and the offer is not exclusive. Applicants with questions or seeking more information may contact the human resources department by e-mail at selecciopersonal@conselldeformentera.cat or by phone.

A form designed to facilitate the process is available on the Virtual Citizen Information Office (O VAC

). Interested parties can also get help with their application by making an appointment at the Citizen Information Office (

OAC

). Applicants need only fill out a form; no documents are required. A useful guide has been

given to all Consell de Formentera staff and can be found on the Consell de Formentera website.
