

Jaume Ferrer, president of the Formentera Council, and Maria Costa, chair of NGO Formenterers Solidaris, met today to put their signatures on a deal handing the group Council money to carry out aid projects in developing countries. The deal additionally sets out a plan to raise awareness among Formentera residents in 2016.

The year-long pact is renewable and provides 3,000 euros in funding. Also in attendance at the signing were CiF social welfare councillor Vanessa Parellada and Formenterers Solidaris's secretary, Teresa Costa.
