

The Formentera Council announces that the island's vehicle inspection service (ITV) will cease operations for the month from Friday December 21 to Friday January 25.

The break means time off for staff and a chance to take care of maintenance around the facility. In recent weeks the office has expanded hours and staff have taken on afternoon shifts to cope with high demand and clear names from its wait list. The retooling has pushed employee workload up 25%.

The ITV will resume operations on Monday January 28, not only in the office for administrative work and appointment scheduling but also the garage. The Monday to Friday service is open from 8.30am to 2.00pm, and can be reached by telephone at 971 32 31 30 or email at itv@conselldeformentera.cat
