

Formentera Council president Jaume Ferrer and painter Gilbert Herreyns took steps to make official Herreyns' donation of a painting titled “Entre la terra i el cel” to the Council. In 2018 the artist staged an exhibit by the name same at Sa Tanca Vella and committed afterwards to making the donation.

Acrylic and tempera on canvas, the work measures 225cm by 110cm and is on display in the Office of Culture of the administration. President Ferrer welcomed the gift, which will now become property of the CiF. Herreyns is a Belgian artist who has split his time between Eivissa and Formentera since 1971.

Pictured are Herreyn's wife Neus Riera, President Ferrer, Herreyns and Manolo de Oya, who is the exhibit's curator and a representative of Espai F.
