

From 7.00pm this Friday, local photographer Renata Kverh will present 'My Mother India', an exhibition of fifteen photographs, at Centre Antoni Tur 'Gabrielet'. Kverh drew inspiration for the display from a six-month solo trip to India, and the exhibition reflects how she perceived nature, people and colours there.

'My Mother India' will be on view 11.00am to 2.00pm and 5.00pm to 8.00pm, Monday to Sunday, until 5 June.
