

Formentera's Office of Sport reports that traffic will be restricted on a number of roads this Sunday when a cycling event rolls into town. Now in its eighth year, the Trofeu de Ciclisme en Ruta, a road-cycling cup, will prompt the following closures:

La Mola's lighthouse to Sant Ferran, 9.30am to 10.45am.

Sant Ferran loop (with es Pujols, la Savina and Sant Francesc in between), 10.45am to 12 noon.

Sant Ferran to la Mola, 12 noon to 1.45pm.

Normal traffic flow will be restored once cyclists have passed.

The match between Formentera and València B has been pushed back thirty minutes to guarantee free access to the municipal pitch.

The Council asks local drivers for their understanding and cooperation.
