

On Saturday the Formentera Department of Sports hosted a course in which participants from various local sports clubs and the FDS learned how to operate a semi-automatic defibrillator and perform basic life support. The free eight-hour course was led by Emergency Staff at the Centre d'Esports Nàutics (CENF).

The course's 15 participants hailed from local sports clubs like Formentera Dojo, Formentera Surf Club, Formentera Tennis Club, Formentera Hockey Club, Cosmitos EC Formentera, Formentera Swimming Club, the Escola de Vela and the local office of sport. Feedback among participants was very positive.
