

The Formentera Office of Environment (*Conselleria de Medi Ambient, CMAF*) reports that, as part of the project to regulate mooring at Estany des Peix, boat owners are asked to move vessels in zones 3, 4 and 5 of Estany des Peix as soon as possible so that works can continue.

Questions? Inquiries should be directed to the CMAF via telephone (971.32.12.10, Monday to Friday) or e-mail (mediambient@conselldeformentera.cat).
