The rural affairs division of the Consell de Formentera reminds islanders that local wine producers with vineyard rights have until 10 December to make their declaration concerning this year's grape harvest.

The declaration can be made between 9.00am and 2.00pm at the Formentera Office of Agriculture, Livestock, Fishing and Hunting (*Conselleria d'Agricultura, Ramaderia, Pesca i Caça/CARPC;* located in Centre Antoni Tur "Gabrielet"). From there, it will be sent to the Wine Registry of the Balearic Government.

Growers with less than 0.1 ha and those who make juice or consume grapes as fruit are exempt from making this declaration. Vineyard planting rights in Spain are regulated, and failure to declare harvests may result in a vineyard being declared abandoned.
