'The Internet and Pornography: What Can Families Do?' is the title of the lecture that Lluís Ballester, who holds a PhD in Sociology and Philosophy, will give at 5.00pm this Thursday as part of the Talks for Families series. Organised by the Formentera Office of Social Welfare, the talks are held in the plenary hall (*sala de plens*) of the Consell de Formentera. Childcare is offered as well. Interested parties should reserve in advance by sending an email to educaciosocial@conselldeformentera.cat or calling 971 321 271.
