

The Formentera Office of Citizen Participation has organised a talk on complementary currencies as a tool to promote social cohesion, with specialist Susana Martín Belmonte.

The following topics will be discussed:

- Potential to promote economic and local development.

- Kinds of complementary currencies. Key examples.

- Complementary currencies on Formentera.

It will take place this Wednesday 30 March at 5.30pm in the auditorium next to the Formentera Day Center (Centre de Dia). Admission is free. Reservations are not required. Space is limited.
