

The Office of Youth of the Consell de Formentera is pleased to announce the activities scheduled for this June at the Casal de Joves. The programme at the youth drop-in centre starts tomorrow with a massage workshop, and continues this Saturday, 3 June, with a handicraft workshop where participants will make a special gift.

The first and third Wednesday of the month—7 and 21 June—the Casal will host movie and popcorn night. There will also be gymkhanas, a table tennis tournament and summer fun like water games and a cooking workshop on fruit smoothies, among others. Saturday 17 June, the Casal crew will head to the Eivissa go-kart track, a perennial favourite.

The Casal de Joves' normal hours are 4.00pm to 10.00pm, Tuesday to Saturday.
