

Ana Juan, President and Councillor of Equality of the Consell de Formentera, and Dolores Fernández, President of Espai Dones, have signed a collaboration agreement between the two institutions to unlock a grant of €4,000 promote equality and prevent gender violence in 2022. As part of the arrangement, Espai Dones pledges to coordinate programmes, services and projects that help shape conditions for equal opportunities between women and men, and to conduct activities with an in-built recognition of the main obstacles and discrimination that women still face.
