

Back on the island that the artist has called home part of every year and where he has exhibited work since the eighties, Robert P. Hawkins (Boston, 1948) today prepares to share a selection of recent pieces at Centre Antoni Tur ‘Gabrielet’. With *Árboles y tal...*, Hawkins presents variously sized oil canvasses inspired by Formentera landscapes and offering particular prominence to trees and plants.

Beginning its run this Saturday 17 October at 7.00pm, the exhibit will be open 11.00am to 2.00pm and 6.00pm to 8.00pm until 26 October. Closed Sundays and Mondays.
