

Formentera-based artists Emilia Brusson and Lola Raya share their artistic vision of “Life and Essence” in a show scheduled to open Tuesday 22 June at Centre Antoni Tur ‘Gabrielet’. Brusson and Raya share credit for 20 pieces crafted using a range of techniques, in oil and pastel, spotlighting scenes of local pastimes and faces from not so long ago.

The exhibition also offers a multi-sensory experience, with composer José Manuel Martínez (JM Music Soul) creating a soundtrack inspired by the paintings that guests who scan a QR code at the entrance can enjoy during their visit.

“Life and Essence” will be on view 22 June to 1 July, 11.00am to 2.00pm and 5.00pm to 8.00pm.
