

The Formentera Department of Culture is pleased to present the fifteenth Cinema a la Fresca, an outdoor film series pairing summer nights with classics and hits of contemporary Spanish and world cinema at no charge.

Under the creative direction of Veronique Landy and Espai F_, from July to September, the series will dust off 34 arthouse gems hailing from varying countries and spanning the 1920s to present day, all shown in their original language. The weekly circuit kicks off Tuesdays in Sant Francesc's Jardí de ses Eres before heading to the Sant Ferran square on Thursdays and La Mola's Casa del Poble patio on Fridays.

Cinema a la Fresca's creative team in la Mola, Espai F_, say that during current hard times, they wanted "eclectic", "international", "all ages" and "inspiringly optimistic" to be the programme's guiding stars.
