

Tomorrow, 10 to 19 August, resident painter Cynthia Díaz will take to Centre Antoni Tur 'Gabrielet' to pull the curtain back on "Terra, aigua i aire", an exhibition celebrating the trifecta of essential elements —earth, water and wind— on Formentera.

The display by the Asturia native is a colour-rich pictorial collection of 12 pieces —from acrylic on canvas and small-format watercolours to graphite— offering a many-sided look at life on the island. "Terra, aigua i aire" is open Monday to Saturday from 11.00am to 2.00pm and 6.30pm to 9.30pm.
