The Formentera Office of Heritage and the local association Es Forn have put flaó at the centre of a traditional cooking workshop at 6.30pm, 5 April, in the kitchen of Marc Ferrer Secondary Shool (IES Marc Ferrer). This is the third cooking class organised jointly by the Consell de Formentera and Es Forn, after two December workshops featured arroç de matances and salsa de Nadal.

The class is free of charge and space is limited. Interested parties should send an email to coneixpatrimoni@conselldeformentera.cat. Participants will receive a confirmation email once registration is complete.
