

The Formentera Office of Culture is pleased to announce that as part of Festes de Sant Jaume, the theatre troupe MoskitasMuertas will present *La Decisió* to audiences at Sala de Cultura (Cinema), Saturday 28 July at 8.00pm.

Part of the *La Mala Llet* trilogy, the troupe's never before performed tragicomedy about the desire to be a mother depicts Kenya and her partner Marta's emotional journey towards motherhood. "We will travel through unfamiliar landscapes with uncontrolled impacts on the idealised image of motherhood", say the troupe.

In 2017 performers Xènia Fuertes and Mireia Sobrevela founded MoskitasMuertas in the unique setting of the island of Formentera. Their productions challenge the classic forms of theatrical language and use humour to question the beliefs shaping today's society.
