the story time

El retorn del senyor dels contes

('The Return of the Story Lord') next Wednesday 16 November at 5.00pm

The "Story Lord" is a Balearic bookseller – born on Mallorca, with family from Menorca, and currently living between Eivissa and Formentera. And so it is that the character recounts the fables of the hunchback and fairies of Eivissa; Catalineta and Catalinota of Menorca; Vit of Mallorca, and Xomeuel·lo of Formentera. "Packed with value and tradition, these stories encapsulate the popular culture of our islands", explains the storyteller, Lluís Valenciano. *El retorn del senyor dels contes*

is the second part of the

El senyor dels contes

production. The storytelling session will last 40 minutes and is geared toward four- to nine-year olds. Reservations are not required and admission is free.

Lluís Valenciano Gener has a degree in Dramatic Art (2010) with a speciality in textual interpretation, and holds a master's degree in Advanced Theatre Studies (specialising in directing) and has a long career in acting.
