

The Office of Culture of the Consell de Formentera is pleased to announce that the weekend of 10 and 11 December, the Sala de Cultura-Cinema will host two theatrical performances as part of the activities programme for the upcoming Christmas holidays.

Theatre for adult audiences

The first show starts at 8.30pm, Saturday 10 December, as the returning Grup de Teatre des Cubells presents their newest stage comedy for adult audiences. In *Matrimoni per medicina*, Bartomeu of the Ai des Cubells clan believes he suffers from every illness in the world, even those not yet discovered. In need of constant care, Bartomeu gets the idea that if his daughter only marries a doctor, Dad can be attended to every day and all Daughter's problems will be solved...but achieving this will not be as easy as he thinks.

Children's theatre

Then, at 6.00pm on Sunday 11 December, the little ones can enjoy *La màgia dels colors*, a production that Christmas crowds can enjoy with the whole family – a playful and educational magic show where audiences learn to label their emotions with colours.

Tickets are available now at www.entradesformentera.cat , €7 for *Matrimoni per medicina* and €4 for

La màgia dels colors

. Admission is half off for the unemployed, under-employed freelancers, retirees, under-25s, people with functional diversity, single-parent families and large families.
