Tuesday 2 May, Centre Antoni Tur "Gabrielet" will welcome Argentina-born and Formentera-based photographer Franco Giomi's "*Gente seria*", an exhibition of images and portraits that, as the artist points out, "is a tribute to islanders, to the fantastic characters in our fabled paradise". The exhibition will open Tuesday 2 May at 7.30pm and continue until 11 May. Hours are from Monday to Sunday, from 11.00am to 2.00pm and 3.00pm to 8.00pm.
